Dear Conference Participant,

Thank you for being an important part of the 2012 UCOWR/NIWR Conference, *Managing Water, Energy, & Food in an Uncertain World*, held July 17-19 in Santa Fe, New Mexico.

This **Proceedings CD** contains a contact list of presenters along with abstracts and extended abstracts of presentations as found in the Preliminary Program as of this date (also included on this CD). The paper Participant List found in your registration packet contains a more comprehensive list of contact information for presenters, attendees, award winners, and conference personnel.

We hope you had an enjoyable and educational experience at the Conference and that you will join us next year in Lake Tahoe.

Our Best,
The 2012 UCOWR/NIWR Conference Committee
