

# UCOWR | UNIVERSITIES COUNCIL ON WATER RESOURCES

Did you know that UCOWR offers **free** yearly student membership to all current undergraduate and graduate students?

## Membership benefits include:

- Establishing a connection to a growing network of over 65 institutions nationwide who are leading the way in water research, education, and policy.
- The opportunity to be recognized for achievements through our annual PhD Dissertation, student poster competition, and oral presentation awards.
- A subscription to the electronic UCOWR Student Digest, created by students for students, to provide information on events, awards competitions, new research, and position postings.
- Student focused activities at our yearly UCOWR conference including:
  - Mentor/mentee pairings and meet ups
  - Student mixers
  - Career panel for students and young professionals

Click [here](#) to complete your membership form today!

Yearly membership runs from August 1 – September 30, but you can join at any time.
